We are recruiting full time massage therapists to join our friendly team.

Duties:

1. consult with clients to gauge their massage needs and preferences and adjusting techniques to meet their individual needs.
2. guide clients through the service offerings, helping them to choose what type of massage would be most appropriate for them.
3. maintain a detailed history of each client, including information like chronic illness, medication, lifestyle and past injuries.
4. inform clients about available massage treatments and provide advice as to which treatments may be the most beneficial to them.
5. perform therapeutic massages and apply the correct level of pressure to specific areas of the body.
6. provide clients with advice about things such as posture, relaxation techniques and stretching, for improved general wellbeing.

Salary: £26,000.00 per annum

Experience and qualifications required:

1. Must have a recognised certificate equivalent to the International Massage Diploma or Level 3 CPA
2. Must have work experiences in aromatherapy massage, sport massage, classic Thai massage, head, neck & shoulder massage, foot massage, head massage, body massage, and relaxation facial treatment for at least 4 years.
